

# **CONSERVATION COMMISSION**

Town of Monterey, Massachusetts

Minutes from Regular Conservation Commission meeting.

## **MEETING: August 16, 2001**

Present: Chris Blair, David Logan, Rick Andrus, David Dempsey, Ray Tryon and Bonnie Jurgenson, Clerk

### **Montgomery, Eric & Holly, 29 Fairview Road – Abbreviated NOI Addition to house located within the 200' buffer zone of Konkopot River**

Montgomery's Representative: Mike Parsons, Kelly, Granger, Parsons

The Board reviewed and approved the plans submitted by Kelly Granger Parsons with no additional conditions. (Hearing Notice Attached)

### **Lake Garfield Association vs. Alan Dolber Enforcement Order for the violation of the order of conditions**

Present: Lake Garfield Association: Lin Schreiber, Irv Yost, Ricardo Baum, and \_\_\_\_\_

Also present, Will Marsh from the Monterey News

The Conservation Commission and Lake Garfield Association unanimously voted to accept Okerstrom-Lang's plans with additional conditions (attached to these Minutes)

### **Schreiber, Lin – Stevens Lake**

#### **Seeking approval for removal of trees on her property located within the buffer zone of Stevens Lake**

The Commission advised Ms. Schreiber to file an RDA for the removal of the dead trees located on her property, not to take place over a period of four years as she suggested.

### **Peter Chait – Buckingham Lane**

#### **RE: Regan Fence – Violation – 5 Buckingham Lane**

The Conservation Commission determined the fence placed in the water by the Regans prohibiting access to Mr. Chait's dock is in violation of the Wetlands Act, has not been permitted. The Commission, after discussions and correspondence with DEP in Springfield issued an Enforcement Order to the Regans requesting they remove their fence, which has been determined to be illegal.

The placement of sand on residents' beaches around Lake Garfield was discussed. It was decided to keep the policy the same, wherein those wishing to replenish their beach area with sand may do so by wheelbarrow only, with a limit of 5-7 CY of replaced sand.

Meeting adjourned at 9:45 PM.
